(a) This qualification counted in the performance measures for the first time in 2014. It was subject to the rule that only two non-GCSEs counted in the 2014 performance tables. In 2015, schools are able to opt-in to Progress 8 one year early. To ensure that all eligible qualifications are counted in headline measures AQA and WJEC Level 1/2 Certificates have been removed from the list of non-GCSE qualifications and remain only on the EBacc list – they will therefore not be subject to the capping of non-GCSEs rule. This is the case across all performance measures for all schools in both 2015 and 2016 performance tables.

(b) This qualification will count in the performance measures for the first time in 2016.
