Because of the diversity of our community, it's possible that something could be disagreeable or disturbing to you without meeting the criteria for being removed or blocked. For this reason, we also offer personal controls over what you see, such as the ability to block, hide or unfriend people, pages or applications that offend you. Content that does violate our terms may be removed from our site and (in some cases) subject to legal or other action. For information about what we allow and don't allow on Facebook, please read our Community Standards.

Hate speech

Facebook does not tolerate hate speech. Please grant each other mutual respect when you communicate here. While we encourage the discussion of ideas, institutions, events and practices, it is a serious violation of our terms to single out individuals based on race, ethnicity, national origin, religion, sex, gender, sexual orientation, disability or disease.
